

Early Literacy Alphabet Theme (infant – toddler)

Rhode Island's Early Learning and Development Standards:

- Language Development
 - Literacy
- Cognitive Development
- Physical Health and Motor Development

What to know about this kit:

This kit contains interactive books and toys that are alphabet themed. Touch and feel your way through the ABC's with this early literacy kit. We've also included songs, finger rhymes, scarves, and egg shakers to extend the fun of learning through play with your child.

What can I do with this kit?

- Practice motor skills and eye hand coordination by putting together the alphabet puzzle. You can also talk about what color the letters are.
 - Go on a sensory finger walk through "A is for Apple", "See, Touch, Feel, ABC", and "Alphaprints ABC".
 - With "Alphaprints ABC", ask your child if they can name what each animal is or what it looks like to them before you finish reading the sentence to for, such as "B is for ...?"
-
