

Early Literacy Colors Theme (infant – toddler)

Rhode Island's Early Learning and Development Standards:

- Language Development
 - Literacy
- Physical Health and Motor Development
- Cognitive Development

What to know about this kit:

This kit contains interactive books and toys that are color themed. Have fun listening to the books, poking the bubbles, identifying colors and playing with the color and shape sorting toys.

We've also included songs, finger rhymes, scarves, and egg shakers to extend the fun of learning through play with your child.

What can I do with this kit?

- The colorful shape sorting toy and chunky puzzle is perfect for developing fine motor development while also reinforcing learning about colors and shapes. The shape sorter also provides a fun sensory experience with its crinkle flaps.
- Help children count the sides on each of the puzzle pieces.
- Have fun trying the different ways to read "Brown Bear, Brown Bear". It can be sung, chanted, or simply read. Which way does your child enjoy reading it with you?
