What to know about this kit:

This kit contains interactive books and toys that are music themed. Have fun listening to the books, singing the songs, and making your own music with the toy band. We've also included songs, finger rhymes, scarves, and egg shakers to extend the fun of learning through play with your child.

What can I do with this kit?

- Listen to the songs in "ABC & 123 Learning Songs: Interactive Children's Sound Book" and try singing along together with your child.
- Ask your child which music book was their favorite and why?
- Experiment with the different sounds that the music band toy makes. Can you make simple rhythms using the instruments?
