

# Early Literacy Science Theme (preschool)

## Rhode Island's Early Learning and Development Standards:

- Language Development
  - Literacy
- Cognitive Development
- Physical Health and Motor Development
  - Science

## What to know about this kit:

Take a closer, and maybe a different look, at the world around you using this kit which contains science based books and a microscope.

## What can I do with this kit?

- Find the answers to all sorts of questions with the “Little Kids First Big Book of How”
- Flip through the phases of the moon in the peek-through picture book
- Learn about hermit crabs and their habitats with “A House for Hermit Crab”
- Read about the imaginative engineering in “Boxitects” and “The Most Magnificent Thing”, and then draw a picture of something that you’d like to create.

# Kit Contents

Science Theme (preschool)	
Item	Description
