

Early Literacy Feelings Theme (toddler - preschool)

Rhode Island's Early Learning and Development Standards:

- Language Development
 - Literacy
- Physical Health and Motor Development
- Cognitive Development
- Social and Emotional Development

What to know about this kit:

This kit contains interactive books and toys that are themed around feelings. This kit is ideal for developing letter recognition and vocabulary. We've also included songs, finger rhymes, scarves, and egg shakers to extend the fun of learning through play with your child.

What can I do with this kit?

- Spin the faces on the Learn-A-Lot Avacados to play peek-a-boo and name the feelings
- See if you can name the feelings in the pictures for the Feelings Mirror and then try making the same face and emotion in the mirror
- Feel your way (literally and emotionally) through "Moody Monsters". Which monster stomach was their favorite to feel?
- Practice taking some deep breaths and calming down with monkey in "Little Monkey Calms Down".
