 - Creative Arts

What to know about this kit:

This kit contains interactive books and toys that are math themed. This kit is ideal for developing early math and critical thinking skills.

What can I do with this kit?

- Develop counting, matching, and color recognition with the Snap-n-Learn Counting Cows
- Learn a new math game with Tiny Polka Dot that offers 16 different games based on ability
- Get creative with the Pattern Block Activity Set that uses colorful geometric shapes. You can follow the included patterns and designs, or make your own using your own imagination
