

# Early Literacy Things That Go Theme (infant – toddler)

## Rhode Island's Early Learning and Development Standards:

- Language Development
  - Literacy
- Physical Health and Motor Development
- Cognitive Development
  - Mathematics

## What to know about this kit:

This kit contains interactive books and toys that are themed around transportation. Have fun listening to the books, identifying vehicles and building vocabulary, and playing with the shape sorting toy. We've also included songs, finger rhymes, scarves, and egg shakers to extend the fun of learning through play with your child.

## What can I do with this kit?

- Have fun naming the shapes and matching up where they belong using the shape sorting toy truck
- Talk about the alphabet and point out each letter using Richard Scarry's Cars and Trucks from A to Z. Afterwards, sing the ABC's together or to them.
- There are so many things that go! Ask your child what their favorite one is while reading and listening to "Noisy Things That Go". What was their favorite sound in the book?

ABC

# Kit Contents and Replacement Costs

Please check to make sure all parts are present before returning or else we cannot check the kit off of your record. Kits must be returned to a staff member at the Middletown Public Library.
